RE: Re-pricing Rehabilitation Clinic Rates

Effective for dates of service April 1, 2015 and forward, the Department of Social Services will adjust the reimbursement fee schedule for rehabilitation clinics. The changes apply to services reimbursed under all of the HUSKY Health programs.

The Department is making this change to ensure that the rehabilitation clinic fee schedule has a uniform pricing methodology. The adjusted reimbursement fees will be based on 95% of the 2008 Medicare fee schedule; unless the fee was not listed on the 2008 schedule, in which case the fees are adjusted to 95% of the 2013 Medicare fee schedule. The revised fee schedule for rehabilitation clinics will be posted by March 1, 2015.

Accessing the Fee Schedules:

The updated fee schedules can be accessed and downloaded by accessing the Connecticut Medical Assistance Program Web site: www.ctdssmap.com. From this Web page, go to "Provider", then to "Provider Fee Schedule Download". Click on the "I accept" button and proceed to click on the "Clinic-Rehabilitation" fee schedule. To access the CSV file, press the control key while clicking the CSV link, then select "Open".

For questions about billing or if further assistance is needed to access the fee schedule on the Connecticut Medical Assistance Program Web site, please contact the HP Provider Assistance Center, Monday through Friday from 8:00 a.m. to 5:00 p.m. at 1-800-842-8440.

Posting Instructions: Policy transmittals can be downloaded from the Web site at www.ctdssmap.com. Holders of the Connecticut Medical Assistance Program Provider Manual should replace their existing fee schedule with the new schedule.

Distribution: This policy transmittal is being distributed to providers of the Connecticut Medical Assistance Program by HP Enterprise Services.
