All healthcare you receive through the HUSKY B Health program must be from providers who participate in the Connecticut Medical Assistance Program (CMAP) network. Providers such as: pharmacies, hospitals, medical equipment companies, and home care agencies must also participate in the CMAP (HUSKY) network. If you are unsure if your provider participates in HUSKY, need help finding a provider, or need more information on HUSKY benefits or services, call Member Engagement Services at 1.800.859.9889 or send us a secure email anytime.

All services must be medically necessary. Co-pays and premiums may apply.

HUSKY B children may qualify for supplemental services if their medical needs go beyond what HUSKY B offers. This extra coverage is offered through HUSKY Plus. There are no co-pays for HUSKY Plus. All services received through HUSKY Plus require authorization before service is received. It is the provider’s responsibility to obtain prior authorization from the HUSKY Plus program. For more information about HUSKY Plus, call Member Engagement Services at 1.800.859.9889.

Preventive care is covered with no co-pay and no prior authorization. Well exams for children can include: A medical history, physical exam, growth screening, vaccines, oral screening, blood work, urine tests, screening for developmental and/or behavioral health issues, and information about safety. For a listing of recommended vaccines for children click here. For information on wellness exams, screenings and vaccines click here.
