

**Not sure if you should see your healthcare provider,  
go to urgent care, or go to the emergency room?**

**The Nurse Helpline can help you decide  
where to get the care you need!**

**Call the 24-hour  
Nurse Helpline at  
1.800.859.9889.**

Do you think you may need to see a healthcare provider right away, or do you have a health problem that you're not sure can wait?

Do you have a question about your health or medical condition?

You can talk to the nurse about any health questions or issues you may have.

A nurse will always be ready to help you!
