Provider Bulletin 2012-29

June 2012

To: Medical Equipment, Device and Supplies (MEDS) Providers
Subject: Authorization Portal for Requesting MEDS

Effective July 1, 2012, the Department of Social Services (DSS), through the medical administrative services organization (ASO), Community Health Network of CT (CHNCT), will begin offering providers the ability to submit prior authorization requests online for HUSKY Health and Charter Oak Health Plan clients online via a secure authorization portal, Clear Coverage. Through this secure portal, the provider will have the ability to request authorization for MEDS, submit clinical information, and track the status of their request.

Online training sessions are available for the new online authorization portal. Providers are being trained on the following topics:

- Demonstrating use of the online portal
- Securing user access information
- Verifying client eligibility
- Submitting authorization request
- Viewing status of request

Providers are encouraged to attend a training session to facilitate use of the system. However, training materials will also be posted on www.huskyhealth.com; Click *For Providers*; Click *Provider Trainings & Events*.

To register for one of the online authorization trainings, please visit www.huskyhealth.com; Click *For Providers*; Click *Provider Trainings & Events*; Click *Online Authorization Webinars*. You can then choose a webinar to sign up for.

As of July 1, 2012, requests for prior authorization of MEDS will no longer be accepted by HP.

Providers will submit requests to the CHNCT via either:

- Clear Coverage online portal,
- Phone 1-800-440-5071 (Monday through Friday from 8 a.m. to 7 p.m.), or
- Fax at (203) 265-3994 utilizing the Authorization Request Form, which can be found online at www.huskyhealth.com Click *For Providers*; Click *Provider Bulletins and Updates*; Click *Outpatient Authorization Request Form*.

Use of the online authorization portal is encouraged as of July 1, 2012 for authorization requests for MEDS. Clear Coverage has been added as an authorization request system to provide ease of use, faster turnaround times and more efficiency by offering providers access to verify eligibility and enter an authorization request in one web-based portal.

You can access the Clear Coverage Online Authorizations portal beginning July 1, 2012 by visiting www.huskyhealth.com; Click *For Providers*; Click the *Clear Coverage* button.
